

# Rural Access Line Pilot

## 404-785-CHRP (2477)

A direct line for rural providers—as a supplement to existing pathways—to seek consultative support from Children’s Healthcare of Atlanta specialists, and transfers for pediatric patients in need of specialized care.

Staffed by a team of physician navigators ready to connect rural providers with a pediatric physician at Children’s.

Available 24 hours a day, seven days a week for urgent needs and 8 a.m. to 8 p.m., Monday through Friday for non-urgent requests.

**Call 404-785-CHRP (2477) for access to specialized support, consults and transfers for pediatric patients.**

*This is a pilot program for participating locations.*

*The advice is not intended to serve as medical treatment.*

*All treatment decisions remain with you, the treating physician.*
