

HomeTown Health, LLC
Hospital Board and Leadership Training Program

Pricing Information

All annual programs for the 2021-2023 term below, will start at the time of program subscription and continue through December 31, 2023.

A. Annual Hospital Subscription (Online and Live):

HTH Member Hospital - \$2250 | Non-member Hospital - \$4500

1. Includes all participation at Live Workshops offered twice per calendar year (Spring and Fall) for all current and future board members, CEOs, CFOs, and Compliance Officers. All annual training requirements can be completed at one workshop, if desired.
2. Includes all online program training with the Board Library for all current and future required board training participants, CEO, CFO, and the hospital Compliance Officer through:
 - Individual online courses available on HomeTown Health University (hthu.net) Hospital Board and Leadership Program web page.
 - Group moderation of online courses option (virtual presentation of online course moderated by hospital compliance officer).
 - Virtual live quarterly webinar offering of Pre-Requisite Program and "Hot Topic" content, as needed.
3. Reporting and Technical support.

B. Annual Individual Subscription (Online and Live):

\$650 per person per education cycle

1. Includes online courses available in HomeTown Health University (hthu.net) Hospital Board and Leadership Program, virtual live quarterly webinar offering of Pre-Requisite Program, Reporting, Technical support, and Participation at Live Workshops offered twice per calendar year (Spring and Fall) for one individual.

Optional Program Offerings:

- Live On-site Board Roll-out with Jimmy Lewis and HTH staff (to supplement group subscription): \$1500 one-time fee.
- On-Site Hospital Training Session: \$1000 per accredited training hour OR \$7000 for an 8-hour training day. Standard 1 plus five additional standards or standards 2-8 in their entirety can be covered in an 8-hour training day.
